“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away

“ Dear Laura and Kevin:
In my 35 years of working for Port Authority I look back at my years at EWR as the best! That was because of Fred. He was the best boss I had through out my PA career. Everyday I looked forward to going to work with Freddie, Jimmy and Glenn. We had a great time. Nobody knew the landside operations better then Fred. He knew everybody, from the airlines to the cops, to the government agencies and to all the contractors and they all loved and respected him. God bless Fred and your family. I am a better person because I knew him.
Peace;

“ *Dear Laura, Kevin and family, We are so sorry for your loss and our hearts are broken. When I told Ron about it, first thing he thought of was the good times we had playing cards and the dances we all went to. Of course, New Year's Eve. We had the best times and such good memories. We go way back to when we were kids. He will be so missed. Be strong. And like you and Ellie, the first thing I thought about was that "Now he is playing golf with Harry" and they are happy and at Peace.*
