“ When you consider it, life is so short here on this earth! But, he will live for eternity in the heavens that God has created for His own. I'm so proud of him and will miss him especially since he moved so near to us. I could always count on the sweet greeting "hello, cuz" and a peck on the cheek when I saw him. Will miss that.

May God bless each of you during this time with his grace and comfort. Love you all and hope to get to visit with you soon.

“ I first met Freddy back when his hair was really long and I was a young engineer. I loved hanging out in the kiln room shooting the breeze with him about his weekend on Mondays as he worked and I loafed. Later he met Susan and life got a whole lot better for him. Freddy was my wedding photographer and did a great job. He was a really kind soul and I am a better person for knowing both Freddy and Susan...and I always had fun on the Sun Chaser with them as well 👍

“ If you looked up the term "people person" in the dictionary, I think it would be appropriate to see a picture of Freddy's smiling face. It seems like Freddy was best friends with all of Horry County and beyond. Everyone who knew Freddy felt this way about him. This is a testament of how many people loved him. Ryan Parry

“*Freddy I remember you as far back as when I was like a child. I remember all the church camp trips as well as the Jamestown boys hanging out. You have always been a special person with a big heart. You always had a smile which spoke peace to anyone that saw you. I always enjoyed your pictures and could tell it was a passion of yours. I pray for peace for Susan, Megan and Stacy and your family. Peace that only God can give will help. I pray for them for the days ahead. You certainly will be missed. We love our Jamestown families. Fly High Freddy.*

“ *Freddy was a dear friend and a wonderful man of God. He embodied kindness, gentleness, patience, goodness, joy, peace, love and faithfulness - all fruit of the Spirit. He was so kind to our daughter, Stephanie, as well as to all our family. The last time I saw him, he was taking photos at the Show Choir Christmas program last year. Recently, I met someone in the drug store who knew Freddy from work and praised him so. Family, I love you too, and will be praying for you because Freddy loved you so much and you will miss him. Love and prayers.*

“ I am so sad that I had not seen Freddy in awhile. From the time he was the stellar photographer and king of the darkroom at CHS when I was the yearbook sponsor until the time we reconnected through his daughter Stacy attending Carolina Forest and serving in our NHS chapter which I advised, we had so many connections and stories to share. Freddy made such an impact at The Forest, always supporting our choral and drama departments with his photos and attendance at our many activities. We had such fun reminiscing about our shared history at CHS and then CFHS. Everyone who knew Freddy knew how important his family was to him. Kevin and I are blessed that we reconnected with him and we treasure our memories.
