“ I’ll miss you so much cousin! Trips to Myrtle Beach will never be the same without you. You left us way too soon but I know you’re smiling down upon us.

I’ll miss the family history sharing, how excited you would get when you would see an old classic roll by, the sharing of your karaoke videos with a message of , “Hey cuz! Tell me what you think!” Even in the distant miles, you knew when I needed a pick me up.

I’m going to miss everything about you! You were the most sweetest, kindest, and the biggest hearted person I’ve ever known. You were just an amazing person and cousin. I could use one of your “Fredster Teddy Bear hugs!”

I love you! It’s not goodbye but c-ya later!
