“ *My Dad and Fred were best friends in the Air Force. So they were stationed at the same place at the same times, for the most part. This was before us kids were here. I was very shy and Linda, Fred's wife at the time asked me if I would like to spend the summers up there with them. I said yes! We worked at the beach and I felt like I was someone and opened up to be who I am today. Still a little shy but have gotten out of it for the most part. It was the best time of my life. This family is my family maybe not by blood but by love that they all share. This is my other Dad. I will always remember the great times we had. Cant thank them enough for being in my life. I love you all so much. We will miss him so very much. R. I. P and know we will always cherish those times. Love and Peace as we celebrate his life.
