“ As a kid I always loved going to see uncle Fred and aunt Dot on our summer family trips. I have great memories of uncle Fred telling us funny stories about my dad when they were kids. He was always thoughtful, giving and a joy to be around. He is loved and will be missed.

“ Over the years Fred and Dot and Ann and I have spent many good and wonderful times together. Our golf at Wiltyck Golf Club, Woodstock Golf Club, along with many golf outings in South Carolina, are memories that will always be cherished. We also spent many Saturdays with our Season Tickets at West Point for the Army Football games. Many great tailgate parties in "F" and "C" lots. His motorhomes added to these times also. We also spent many weekends Cross Country Skiing at Mohonk Mountain House, stopping and resting for a little wine and cheese and crackers. After their move to Conway SC, we and our other SC friends, Mim and Pres Barshinger, enjoyed visiting each other a couple of times a year. All great memories. Our thoughts and prayers are with all the Family. Rest in Peace our good Friend "FRED".

“ Growing up I loved going to Aunt Dot and Uncle Fred's house to play pool and hang out during family get-togethers. Much love to Aunt Dot, Jeff, Craig, and the rest of the family. I'm very glad he was able to spend time at home peacefully.

“ I was very saddened to learn of Fred's passing. It was always so nice to see his friendly smile at the Silvernail family reunions that I attended with Bob, Frances, Ray, and Shirley in Oneonta and in the Hudson Valley. I know you will all miss him very much and I send my deepest sympathy to Dot, Jeff, Craig and all the rest of the family.

“ Fred was a great friend and neighbor for over twenty years. He was always available to lend a helping hand (or one of his many tools in his garage). Our times spent celebrating birthdays, dinner for ten and going to many movies and dinners will always be cherished memories for us. His many stories of his life showed how much love he had for his wife, family and circle of friends.

We will certainly miss seeing Fred ride his three-wheel bike down the street and that friendly smile and wave. Rest in peace dear friend.

“ I ran away from kindergarten with a 6th-grade girl who was watching over us. I was crying and very afraid. I don't remember what set me off, but it may have been when our mother was in the hospital. When I got up to the corner of Chestnut St and Kearney where we lived, Fred was standing on our front steps and all was well with me. Fred has told me that he took me right back to school, but I do not remember that part.

Fred taught me how to Jitterbug. I believe it was when Joann and I were watching American Bandstand. He was a much better partner than our sister Joann [sorry Jo!] and he did lead better.

One summer before Fred got married, he gave me a ride to our sister Nita's house when she was living in Lamontville. It was late at night after he got off work. I was sleeping in the front seat next to him, and he gently work me up. He had stopped the car alongside a cornfield to see a most magical sight. It was a foggy cornfield with many deer's heads sticking above the fog. Wow, it was amazing and beautiful!

Thank you, Fred, for being a wonderful brother! I will always miss you.
