“ I have known Mr. Lee for almost 8 years. He and his wife are very special to me. I took care of Mr. Lee at the Cancer Center for many years and then again was able to see him when he was a patient at Grand Strand Memorial Hospital. I have always thought of he and his wife as "family". After I left the Cancer Center I would often ask his oncologist how he was doing. He was never far from my thoughts. Mr. Lee was one of the kindest and most gentle men I've ever met in my life. He will be missed terribly by myself.
