“ Dear Louise and family: Ronnie was my brother and we share many childhood memories together. I am sorry that the contact between us was not as it could or should have been. As with some separated families, you always think there is more time, after all I am the oldest brother. Anyway, I just want to say that even though we did not have that contact, Ronnie held a special place in my heart and that I want to send my heartfelt condolences to you and his children. I regret that I was not able to say hello and then goodbye. A donation will be made as requested. Sincerely, Raymond J. Randolph & family##imported-begin##Raymond J. Randolph##imported-end##
