“ Dennis, I was so sorry to hear of he passing of my lifelong friend, Gail. Growing up together, since the third grade, having fun and getting into mischief through the years, it will be hard to imagine not having her with us. Even though we know she is now with her mother and farther in God's heaven, I know you, Alicia, Joye, Betsy and the grandchildren will miss her every day. She is now free from pain and may your memories of Gail bring you all comfort during this very difficult time. Our hearts and prayers go out to you all.
