“ *Gay Wright and I had about the same golf skills and I am 20 years his junior. Well into his 80's, he gamely played the difficult Heritage course never asking nor receiving any special favors.*

*He enjoyed teasing me about my name, suggesting we might be descended from some ancient "Wright" forebear.*

*Gay was a gentleman of the old school. A school that is fast disappearing and we are all diminished by its loss.*

*Rest In Peace, Galer.*
