“ *Gardiner was a kind soul. My fondest memories of him were when I was a young boy and he would take me and my brother fishing. He always made it fun for us. One night we caught a Beaver in our net, we were all scrambling to get away from it. I remember us laughing hysterically on the way home. He was so funny and taught us dirty jokes and songs. I loved his Southern Maryland accent and his simple ways of treating people kindly. I also get a smile on my face when I remember him at our wedding reception with his red suspenders. We had the fortune of having he and Carolyn stay with us a couple years ago while they were in Maryland. I am so happy that my kids got to know him a little better. He will be dearly missed by the Berkley family!*
