

Garry A. Kenny Sr.

October 28, 1946 - December 23, 2020

Well, they tell me I'm no longer a resident of this planet earth. That could be true, because for the first time in a very long time I feel no pain. Even my back doesn't hurt. Amazing. I wish I could have had more time to annoy my wife, kids, grandkids and greats, and especially my friends, before I left. But I let my guard down and the Lord came and snatched me away from my beautiful wife of 40 years, Wendy, (42 if you count the two we were together before we married) when I least expected it. Sorry we didn't get the extra eight years to make it to 50, my love, but I'm happy for every minute we had together and that we will be together again.

My regrets are few, but mostly I regret not meeting Wendy when we were both young so we would have had more time together. I regret that I had to leave so many people I love without a last hug and kiss. I regret that I didn't get to hug my sister, Jackie, one last time. As I passed through on my final journey, I visited my sons, Garry Jr and Jimmy and their amazing wives, Michele and Amanda, and grandson Ethan and granddaughters Brianna and Braylee. I visited my stepson, Dave, and his beautiful wife, Andrea, but I'm pretty sure only the dogs knew I was there. I visited my stepdaughter, Adrienne and her terrific husband, Patrick. And of course my beloved granddaughters, Nicole and Kayla. I know my great granddaughters, London and Autumn, felt my kiss on their cheeks as I passed through and am happy to have finally met my great-granddaughter, Dakota,

and to make her laugh.

To all my family and friends, thanks for being a great part of my life. We shared a lot of laughs and I hope you all will always remember me with a smile. Life is a lot shorter than we plan, but we will all meet again one day and pick up where we left off. Until then, live, love and be happy.

A Celebration of Life will be held at a future date.

“ Dear Wendy, I have a special memory of your adoring husband. The setting was at the Moose, watching him at the table. He had the biggest smile on his face while you and Nancy danced up a storm. The sparkle in his eyes told it all! He loved you so dearly. Hang on to the many memories and may they brighten everyday until you meet again. With our love. Tommy & Marcia

“ Garry, You were a great neighbor and friend for many years. The times we spent together on the Garwood First Aid Squad will never be forgotten. We did many a call together and our family camping trips with other squad members were a good time. I started my police career because you talked me into joining the Garwood Civil Defense. As a Special Police Officer we rode together many a weekend night together. And let's not forget the nights of shooting pool at the Knights of Columbus. To Garry Jr and Jimmy your father was an inspiration to many. Wendy, I know how much Garry Loved you and I feel your loss, my heart goes out to you. Jackie, having known you and the Kenny family for many years and how close you all were I can not even believe how you feel, but you must know that your brother, Garry was always there for anyone that he met. I know that he will be sadly missed by many. My heart goes out to you and you know I am always there if you need to talk. To all Garry's Family you are in my Prayers. Garry I will surely miss you my friend. God Bless You and May you Rest in Peace. Until we meet again my friend.
