“ *It's been so long now. Yet when someone so loved and respected and you felt as you were a part of the family and you finally can say Gary, I was in awe of you and Faye since I was 7 years old. Those young memories and the ensuing years of the love and fun and laughter and feeling so close to you and Faye meant the world to me as I grew up.*

There is never a time that I don't miss you and those wonderful times with your wonderful family.

You will forever be missed by me and loved.

Your legacy lives on through Faye who is a part of my heart and your beautiful daughter Christie whom I love with all of my heart.

You gave your all for your Country. Yet you also gave your all to those who had the honor of ever being a part of your life.

I'll see you in Heaven one day.

Forever my honor and love,

“ *I worked for Gary in the early 1980s at Myrtle Beach AFB in SC. He gave me some great guidance when I was a young airman. I was sorry to learn of his passing but happy to have been one of those who's life he touched. Thank you Gary. God bless you.*

“ I have always received the News-Journal as I have always tried to keep up with things going on in Raeford. I was shocked to read in this week's paper the news of Gary's death. I have so many fond memories of our time spent in school together in Raeford, and I anxiously looked forward to our class reunions. It was there that I saw Gary last. We had a great time talking and laughing, and I remember that he was always funny and liked to joke around. It is almost impossible to believe the news, and I hope that his dear family will accept my condolences, and find some strength in knowing that so many of the Class of 68 will remember him fondly. May God bless each of you, Sarah Q. Downum###imported-begin##sarah quick downum###imported-end##
