“ I met Gary one summer while working on the campus of Oregon State University. I was only 16 years old and he was a friend of the girl who worked with me. I remember him as charming and handsome and a very nice guy. I am truly sorry to hear of his passing. Please know my thoughts and prayers are with you and your family.##imported-begin##Susan Ashworth Carpenter##imported-end##

We have no address to send a sympathy card, so hope this e-mail reaches you. We were fortunate to have both of you as neighbors those many years ago, and we've continued to think of you fondly. Please know that we're thinking of you now and are sorry to learn of your loss. Bill and Linda##imported-begin##Bill & Linda Brogden##imported-end##

“ Dear Donna, I was saddened to learn of Gary's passing. He and I attended Corvallis High School together and were very good friends. I remember his wonderful sense of humor best. After he graduated and left for the military we lost touch. I often thought of him at class reunion time and wondered where he put down roots. Please extend my heartfelt sadness, and those of our classmates, to your family. Judy Jacob McCann Class of 1964###imported-begin##Judy Jacob McCann###imported-end##
