“ My deepest sympathy to Gary's family. I know the pain you are feeling at this time and I pray that God brings you comfort while you take this journey. May your wonderful memories of your times with Gary bring you peace and comfort during these difficult times. God has taken a very special person away from us way too soon.

Gary and I met 44 years ago while living in East Meadow, New York (1966-1968). We reconnected last year via Facebook when I received an email from him asking if I remembered him. I most certainly did remember him and often wondered where life had taken him. I have fond memories of Gary and our friendship all those years ago. As Gary put it, we kinda dated as kids did at that age back then. I remember thinking how cool he was and yes, I had a huge crush on him. I couldn't believe that he remembered me after all these years not to mention that he even remembered my last name and was able to find me on Facebook. I've enjoyed our times of catching up on each other's lives. I will miss our chats. Rest in peace my friend! ~ ~ Jo Ann
