“ First met Gary & Tre (Patricia) after they took over Socastee Station. We all shared a love for German Shepherds. Over the years we became good friends with not only with Gary & Tre, But with Gary's brother Todd and his wife Sharon. Also, Gary's mother and father Matthew and Katherine. Gary was the cohesive that brought all types people together at the "Station". His smiling face, his wonderfully prepared food and his genuinely interested concern for your dining experience made you feel welcomed every time you came to the "Station". For years the patrons were treated to Christmas and Forth of July parties for free! Gary and Tre were such giving people!
