“ Dear Mrs Woodall and Family, About three weeks ago, we purchased a vehicle from Gary. In that time period, we found Gary to be a warm and friendly person. He offered your name and your daughters name to be used as a reference for our daughter who is looking for a job at the hospital. He went way out of his way to help us with the vehicle and we left feeling like friends. I know he will greatly missed by all who had the pleasure of meeting him. Our sincere sympathy to you and your family.##imported-begin##Nancy and Larry Schillings##imported-end##

“ I am so sorry for your loss. Gary was my Dad's bestfriend when he worked for the C&O railroad years ago. My Dad has been dead 33 years this month so that tells you how long it was. He always referred to him as Woodall. I guess they watched each others back. My Dad was struck by lightening and died on our family farm. He was only 39.I had the pleasure of meeting Gary when you lived in Applewood. I met him at Halloween and he was super told him who's daughter I was. Nathan was friends with my daughter Falon in high school. So sorry for your loss. Kathy Tooley##imported-begin##Kathy Tooley##imported-end##

“ Hello Kay and family, We were very sad when we saw that Gary had passed away. We saw it in the Huntington, WV paper. Gary and Heskell worked together on the railroad and held positions with the UTU. We spent time together at Conventions when our children were very small. We also went to church with Gary's 3 children, Brian, Josie and Tammy when they were young teens. We still live at Milton, WV. Our thoughts and prayers go with you during this difficult time.
