“ Gayle was one of my best friends in high school and my next door neighbor all through high school. We certainly had some escapades together! So glad we have stayed in touch over the years especially the past 8-10 years. I will miss our phone conversations that we frequently had. Prayers for all the family during this difficult time.

“ Dearest Gayle, you will live forever in the memories of all the people whose lives you touched, including mine. Always so bubbly and full of piss and vinegar, as my folks say in the South. I will miss you until we meet again. Love, Susan

“ Where do I begin? Snowbound w/o electricity? Whitewater rafting? Picking out tile, etc., for mountain house? Too many lunches, dinners, and road trips! Never a dull moment! Love you, sweet lady, and will miss you dearly!
