“ I have known Genair "Toon" Hucks all my life. He was always such a fun fellow to be around! Always seemed happy and ready for a big laugh. I Remember when he was a teenager. So clean his face would shine. Very neat and had pretty teeth! A joy. My condolences to Doris and his family. I have only good and happy memories of him and his family.

“ *Toon was my neighbor and dear friend. He loved being outside tending to his garden or tinkering with something. Although he was confined to a motorized wheelchair for years, he never let that stop him from maintaining his yard and equipment. Because he had to use a speaking valve, he was not easy to understand, but it was a blessing to me to see him. He enjoyed our little dog, Yogi so I would take him over often for him to see. I will miss Toon, but I am convinced he is with God so I will see him again. See you later, friend.*
