“ *Where to start...Cindy introduced us to Gene when I purchased my bike in 2009...and our friendship started fast & easy. He was able to talk Joe into buying a new bike when all he was looking for was a new seat! Trips to Sturgis, Boston & more are some of the most precious memories we share. Gene was always up for a new adventure! He was selfless with his time & knowledge, and we will miss him but love him forever. Rest in Peace Gene until we all meet again!*
