“ Dear "Chris G", Although we've lost touch over the years, we want to let you know how sorry we are for your loss. It was fun getting to know your Dad back in the days when you and our "Chris A" were in Scouts, soccer, and at Waccamaw Academy together. Your Dad was so very proud of all your accomplishments. Please accept our sincere condolences. Nancy and Raymond Anderson##imported-begin##Nancy Anderson##imported-end##

“ Christopher, I don't know if you remember, but my late husband John Gore and I were close friends of your dad when we all lived at Bradford Creek. We watched you grow up and knew how proud your dad always was of you. John and I thought a lot of Gene. My deepest sympathy to you. Gene and your family will be in my prayers and thoughts.
