“ *The most wonderful sister a sister could have. I deeply miss her and always will .*

There not enough words I can say about my sister ,the love we have for each other

She always look for me to be there and I was, She fight her battle for five and 1/2 years , We stood together until God call her home. She was a very strong lady and love by many . There not a day that goes by that I. do not think about her . They always said that there were something about twins . They truely are, there`s a love and a very closeness that does not break them a part .

My heavenly Father I know my sister is rejoicing with you in heaven . Tell her when its my time I will see her and Dad and Mom and family and what a wonderful time that will be .
