“ Rob and I were so very sorry to hear about Geneva passing. She was always a family friend and Diane was to me since we were 6 years old. I have very good memories of our times growing up and spending many hours in their home. You all are in our prayer and thoughts during this sad time. We would be there if it were possible, but know we are thinking of you all.##imported-begin##Debbie Smith Wilburn##imported-end##

“ It is so hard to find the right words to express how sorry I am for your loss. I truly believe that there is a reason for everything that happens to us during our short duration on earth. Neever is in a better place now and she is safe. All my love and condolences.##imported-begin##chris cordes##imported-end##
