“ My Nanny was Beautiful inside and out... Never in almost 45 yrs have I heard her speak ill of anyone. She made the best of whatever obstacles life placed in her path and she had a way of just making a bad day beautiful. She had a green thumb and could grow ANYTHING, so now every time I see a pretty flower I will think of her and try to be as humble as she was. I miss her so much but I'm thankful for all the precious memories I have of her. I love you Nanny!! Love your Brandy
