“ Dear Gayle, Patti & families: I have just learned today and am so sorry to hear about Marchetta. She was such a special person. In the years we worked together, she was happy & always had a smile and of course a familiar joke to chuckle & share. It was a pleasure to be in her company. I have not seen her in years, but in the years past, the memories of her will always be with me. We have shared some great & enjoyable times. I can see her now in heaven just having a ball! She was a gem & I loved her very much! She will be missed. May God be with you and bless all of you during this time.
