“ There is not a day that goes by grandma that I don't think about you and grandpa. I have your paintings and artwork throughout my house so that I can always have a peace of you with me. I feel so blessed to have been able to live with you and grandpa throughout all of my middle and high school years. You taught me so much that I could write a book. I promise to tell Paytyn everyday how blessed she was to have such loving great grandparents. I know that if grandpa was around when she was born that he would have been giving her scooter rides from the start,lol. You will forever be in my heart and know that someday I will see you both again. Until then, I love you!!!

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ *Amazing Grace, how sweet the sound,
That saved a wretch like me.
I once was lost but now am found,
Was blind, but now I see.*

*T'was Grace that taught my heart to fear.
And Grace, my fears relieved.
How precious did that Grace appear
The hour I first believed.*

*Through many dangers, toils and snares
I have already come;
'Tis Grace that brought me safe thus far
and Grace will lead me home.*

*The Lord has promised good to me.
His word my hope secures.
He will my shield and portion be,
As long as life endures.*

*Yea, when this flesh and heart shall fail,
And mortal life shall cease,
I shall possess within the veil,
A life of joy and peace.*

*Yes, when this flesh and heart shall fail,
And mortal life shall cease;
I shall profess, within the vail,
A life of joy and peace.*

*She taught me to play piano. She spoiled me with her love. I still
have the blanket she made me. She was my Mamaw and I will miss
her very much.*

“ *My grandmother was the kindest, sweetest, most loving christian woman I have ever known. She was the sunshine in my life! I will miss her voice, her scoldings, her love, her face, her wisdom. and her strength. Without her, my heart has a hole that noone else can fill. I will always remember the wonderful things she has taught me! Go with God my sweet sweet granny! I promise to make you proud! Kiss my mother and grandpa for me and rock my son while you sing to him! I love you!*

Laura, I miss her voice every day. I hear it in my head. I hear a song and just lose it. It's been hard. But we will get through. Love you.

“ Bonnie, Lydia, Sharon, Janice, Uncle Carl & Aunt Liz.....& many othersThough I. Married in.....Aunt Georgie (as all of you. Did). Made me feel like I belonged....My favorite memory.....of many.....was at Aunt Georgie's cooking for the Looney Family reunion.....in the living room was Aunt Georgie, Aunt Liz, Aunt Irene, Aunt Vera, Mom(Dorothy) Looney, Uncle Earl, Uncle Carl. & Dad (Danny) Looney.....Us gals were crowding the kitchen making ROASTER PANS. Full of food.....giggling & teasing each other till my sides hurt.....I, since then, told Aunt Georgie, that 'gift'. I was given by you all, her.& God.....I always had to allow plenty of time to chat when I called her.....we could burn up the lines.....& I soaked in all her love & wisdom.....When I describe to friends, Aunt Georgie, I say she the kind of Aunt that you long to be near to drop by & just lay your head on her shoulder.....she always knew the right/kind things to say.....When Dad Looney died.....she was the one I could talk to about how much We missed him.....and now they. Are all together w/ Jesus.....I look forward to another Looney Reunion.....with you all.....Thank You for sharing her.....

Kris, I know how you feel. I grew up in all those Looney reunions and there just isn't anyway to describe the feeling of belonging. That's why i love big families. There's always chaos going on, but it's mixed with acceptance and love and that belonging. I now live with my son, in Texas. He is married (14 yrs), and has four kids. It's a hoot here. Love it.

“ *I met Sis Perry at 1st Apostolic Church of Myrtle Beach & she was always very kind to me & though she struggled at times physically she still managed to make it to visit us at the Southport church. It was obvious that she loved Jesus, wrote songs for Him, and lived her life for Him, but of course if you knew Sis Perry, you already know this! I have 2 little drinking glasses that she painted roses on that I cherish! Give my brother a hug for me Sis Perry till I get to meet you all there! Prayers for the family, love you, Sis Bobbie Warren*

Thank you Deloris. Mom stayed faithful, right up until the end. Even after she was unable to drive, she got a girl from church to take her. And she played piano until she just couldn't anymore. Love in Christ, Sis. Bonnie Perry

“ My mom was a woman of strong religious beliefs. That can be hard on a child bent on misbehaving. But she was fair in punishment as much as she was harsh. It taught the 3 of us girls the value of many things in life: virtue, honesty, responsibility, leadership, character, and more. She encouraged us to be the best that we could be at whatever we tried. I honor her today when i say she was my best friend. Even though i lived 1200 miles away, we still talked every day up until my sister, Shelia, died. That broke her will to go on with life and our talks ceased. I still, even today, wanted to pick up the phone to call and tell her about something. I don't know how to live without her, although I know I will. Life always goes on. I now know how so many of my cousins have felt. May God bless you all. I will miss my mom for a long time to come.

I love you and I feel your pain. Grief takes on many forms. I am always here if you want to talk. We will all feel the empty place she leaves in our hearts for a long time. She was our rock.

“ *Even though Geogie was my second cousin I always referred to her as "Aunt Georgie"! She is so happy now to be around Jesus, Sheila, Earl, Aunt Caroline, Uncle John, Draxie, all the brothers and sisters who went before! We saw her 3 different times after she moved to Conway. I wish it could have been more often but I did talk on the phone with her a few times. She will be missed by everyone! My prayers are with all of her friends and family.*

“ I have so many good memories of Aunt Georgie, from the time I was 19 years old when I married one of her nephews, Avery, and we spent EVERY weekend from Friday right after work thru Sunday evening with her and uncle Earl Perry; her brothers, uncle Noah Gene, Uncle Morrow and my father-in-law, Langley. They all played pinochle and were so good they could tell you what you had in your hand. I spent a year sitting there watching them play until I got tired, and went to bed with the girls. Aunt Georgie always had something cooked to feed everybody there. Aunt Georgie was the first to take my boys to church, she drove out of her way to pick them up. She has always been a loving, giving, beautiful woman. If you had questions, she'd take the time to give you her honest opinion answer. Too many memories to list in a short space here. I love you Aunt Georgie and I know you loved me. Everybody should have a "YOU" in their life.

“Gee!!!! So many memories, good memories. Life from KY to OH to SC Aunt Georgie had a full blessed life. She was always there when someone needed her. I think the most enjoyable time of her life was probably when she, Uncle Earl, Mom, Dad, Aunt Jo and uncle Everett Grandma and Aunt Draxie traveled all over the us by auto so they could just stop wherever and whenever they wanted. They had no agenda and no time frame to return. God was so good to them in that they had no accidents at all in all the travel. If I remember right they visited all 48 states which in that time was an accomplishment in itself. God lent her to us for a spell and now that time is no longer. We will certainly miss her smiling face and warm welcome whenever we wanted to visit. Lydia and Bonnie--hold on to the good memories and make plans to see her in her new home. love you both.
