“ My heart has been with Aunt Lou, Phyllis , Barbie and their extended families today. I have so many wonderful memories of my dear Uncle George. I will always cherish spending time with him during all of our trips to Florida . He was always so excited to bring all of us out to his favorite Breakfast place. We enjoyed every omelet, French toast and pancake we ate while listening to his many stories. I will cherish our visits to South Carolina especially last October when we were all together. I will miss his impish smile and Southern drawl. I will miss Aunt Lou saying “now George”..I will miss my Uncle George but I know the Lord has welcomed him through his heavenly gates and into his loving arms. ❤️❤️❤️

Love you Uncle George!
