“ Silver Fox, you always had a smile and were truly a gentleman. You were one in a million and I'm saddened that you were taken so soon. Any of us that knew you were blessed indeed. You will not be forgotten.

“ George was such a sweet man. We were playing bingo with him a couple Mondays ago. He would sit at the table next to us. This particular week he was determined my daughter was going to win and she did. He also took time to play top spin with her. Such a sweet soul that will truly be missed.

“ *His smile was contagious, but so genuine. He lit up a room when he walked in and always had a smile and a hug for everyone - and never a bad word. Rest in Peace George. Your work on earth is done and we already miss you more than you could ever imagine. Thanks for being such a good friend to all who knew you. Prayers for Peace, Strength and Comfort are being lifted for all his family and friends.*
