“ *Mr. Godwin was truly one of the finest men I've ever had the privilege of knowing. Over the years, he was always positive, encouraging, and generous with his time and support. He was a pillar in our community—not just through his business success, but through the way he quietly and consistently helped others.*

Even with everything on his plate, he always had time for a kind word or a helping hand. That's rare—and deeply appreciated. His legacy will live on not just in what he built, but in the lives he touched.

My heartfelt condolences go out to the entire Godwin family. You shared him with the rest of us, and we're better for it. Rest in peace, Mr. Godwin. Thank you for everything

“ Prayers for Marshall’s family. Marshall Godwin was a wonderful man and he helped my family more than he probably ever knew. When Dickie and I got married and he had custody of the boys, times were tight. As we had the girls, times got even tighter. We needed a bigger house and couldn’t buy one. I think my mama reached out to Chris Sansbury and he reached out to Marshall who had a house for sale. We needed owner financing and Marshall agreed to it. What a blessing it was for us. He agreed to five years owner financing but it ended up being a lot longer than that. We would have been homeless, many times, if it wasn’t for Marshall. I just want to say Praise God for Marshall and his life, and prayers for his family 🙏 Shawn and I were classmates, sending my sincere condolences to him 🙏

Mr. Godwin was a modern day legend. Very kind and a Christian cheerleader that encouraged me every time he saw me. Growing up, he owned a home in our neighborhood and Shawn would play basketball with my neighbor(/his cousin). privileged to have called him my friend. Praying for the Godwin family in the coming days.
