“ Dear Nita and family - We were so sorry to learn of George's death. I have fond memories of our visiting all of you at the house in Maryland. I remember some of the beautiful things that George built. We still have a cheese board that he made for us. And I can remember his smile so clearly.

Our deepest sympathy, Nancy & Denny

“ Every time I asked and got no reply I felt you were holding something back but I didn't think it would be this bad. It comes to us all but it is never easy for those left behind. I would like to know what his illness was but I don't expect to hear from you for a few weeks, I'm sure you will have your hands full with the kids.

I always felt you two had been so fortunate to find each other and live a long life together. My love and sympathy to the children.

“ Oh, Anita, my heart is with you. George has had a long life with you at his side but unfortunately filled with so many health problems. I'm sure you always dreaded and feared this day would come. I may try to call but if you don't get the call or feel like talking please just call me when you feel up to it. You will have decisions to make but please take your time. I don't blame you for having a private service; that is what I want also.

Praying for you, dear friend.

“ Dearest Nita,

I'm so sorry to hear about George. I had heard he was not well. I will always remember our childhood with all of my Dad's family, at Great Falls, at Christmas, at everyone's houses for get together's. George was ALWAYS as nice as any person could be, always so calm, and a wonderful smile. My thoughts are with you, Sharon, Paul, and your family. Love, Janet

“ We'll always have fond memories of George as a very kind and caring man. Always so concerned that Anita be taken care of. We'll never have another yard sale without thinking of him. Norm and Bonnie Fidler

Also, Helen Foerster, who was probably the closest to them, asked me to sign her name. As well, as B.J. Leisey.
