George "Geo" William Jenkins, born February 22, 1933 in Middleburg, VA, passed away on June 11, 2026 surrounded by his wife of 23 years, Margaret Jenkins; and his two devoted daughters, Vicki Short (Mike), and Kim Morris. Geo was raised in a loving home by his parents, Willie and Mary Jenkins, whose values of family and kindness stayed with him throughout his life. He grew up on a farm knowing hard work from an early age.

He was preceded in death by his three sisters, Betty, Patricia, and Sharon. He was a proud grandfather to numerous grandchildren and a cherished great grandfather, all of whom brought him tremendous joy and pride.

He will be remembered for his strength, warmth, and the love that he shared with those around him; and never met a stranger. He made a lasting impression on everyone he met.

Geo's life was marked by love for family, treasured memories, an avid golfer, retired Department of Defense engineer receiving numerous awards for his civil service. His wisdom, caring spirit, and never knowing a stranger will be deeply missed and forever remembered by those who loved him.

The family appreciates the thoughts, prayers, and support during this difficult time.
