George “Grampa” Knight, age 82, passed away on January 26, 2023 surrounded by his family who he adored more than anything else in this world. George was born February 16, 1940, in Mount Vernon, New York and was the youngest of 6 children. In 2005, George moved his family to Myrtle Beach where he became an active member of St. Michaels Catholic Church, Misfits On the Beach (MOB) supporting Down Syndrome and a member of the architectural committee for his community HOA. George was best known for his unwavering love for his family, infectious smile, witty sense of humor and his sparkling baby blue eyes. He was a kind, compassionate, gentle soul who could fix anything and would always take the time to help anyone in need.

“ It's so hard to put into a few words just how hard it is to lose someone like George. Though no one is perfect I truly feel that he was as close as one has one could get. If a mans life can be measured by the goodness he has sown throughout his years on earth, than he certainly has earned a righteous place in heaven. I have first hand witnessed over the last 25 years of knowing this man, the love and kindness he has shown toward his family and friends was overflowing. George was always there to help anyone. He had such a big heart! My son Noah and he had such a special bond and love for one another. It hurts my heart how much he will miss his Grampa. Who George was, and how he lived his life will be a constant inspiration to me in my own efforts to being a good father and living a good life. George I love you and will never forget how good you were to me and my family. May God hold you in his hands for all eternity.

“ One of my fondest memories of my wonderful sweet, fun and kind Uncle George was when him and Aunt Caroline played their reading each others mind game. I was a young teenager but can still see them in our living room at the farm tricking us with their wonderful game. It about drove me crazy because I just couldn't figure out how they were doing it. They finally told us and I have played it on my kids and grandkids since. I will miss my loving and gentle Uncle George. My love and heart goes out to Aunt Caroline, Tonya, Kim and the rest of the family who will deeply miss this loving, humble, and great man in their lives. With all my love Susan.
