“ *He was such a kind and sweet man. A lot of fun to be around. Always a smile on his face! I was his son Georgie's first girlfriend. Great family! Still, every time I seen "Uncle George" he would hug me and say " Hello Beautiful". I loved him dearly. To all the family you have my deepest sympathies for your great loss. My prayers are with you all. Love and peace be with you.*

“ George was surely “one of a kind” with a heart of gold. I have so many fond memories that there are too many to list here. He touched my life, and I am sure many others, in ways that cannot be explained. He saved me from myself during my darkest years and helped me grow into the caring person I am today. My deepest condolences to his family and friends who will now struggle with re arranging their lives. Soar high into the heavens my friend until I see you again. 🙏❤️

“ To all the Macklen Family
I am so sorry about George. He was a good man and my family thought the world of him. He gave my brother Rodney his first job when he was 13.
And I must say floor covering stuck with him.
We love all of you guys!!
Our thoughts and prayers are with you!
