“ Thomas and Nora Pennington: Although we only met a short time ago you have deeply touched our hearts. Our only regret was not meeting you and Lucy long ago. But the limited time that we did spend together left a lasting impression that will never be forgotten. You're truly an amazing man and we'll never forget the fascinating stories you shared with us or the great piece of advice to "live life with no regrets"! Our only regret was not meeting you long ago. Fly high in Gods presents until we meet again! US ARMY VETERAN
