“ My thoughts and prayers to Theresa and the family. George was my buddy. He was one of a kind. Much of the success we now enjoy in the NY market was because of his hard work. I enjoyed the time I spent working with George on the road. He was not flashy, and he was not big on high tech. He just worked hard, and he did not stop working until he finished what he started. Yes, he never drove more than 45 MPH on the LIE, Yes, we did have to drive an hour out of the way because he forgot his hat in the 14th St market. And, yes he did lock his keys in the car in Hunts Point when it was well below zero and we had to wait forever for Triple A. But, he was my friend, And he was one of the good ones. I will miss him dearly.

The pleasure was all mine. Thoughts and prayers for a great man and a true friend.
