“ I am very sorry to hear of George Robert's death and would like to offer my condolences to Margaret and the family. I am a second cousin to George Robert. We had wonderful times when we were teenagers just hanging around and going to the movies in Middleburg, VA. George Robert came to visit with me and my sisters Jane and Mary Lou and our husbands a few summers ago when we were visiting in Myrtle Beach. My thoughts and prayers are with you and your family.
