“ A doctors appointment is usually not an occasion that you look forward to, but George didn't have appointments, he had visits... we talked, we laughed and we cared for and about this wonderful man. I will miss seeing him and that smile he so openly shared with all, but most of all I will miss the smell of his aftershave.##imported-begin##Cory Boettger##imported-end##

“ Gay/Gramma Ross, I am deeply saddened by your loss. I will cherish the memories of the times I have been blessed to spend with this knowledgeable man. I am sorry that I was not able to be there, but hopefully my family being with you now can help console you during this time. May your memories help comfort your tomorrow. Also take comfort in knowing that an Angel is watching over you.##imported-begin##Uli Aguirre##imported-end##

“ Dearest Marge, This is your sister Mary and due to illness I cannot be by your side during this trying time. Uncle Hank and I want you to know how sorry we are that we cannot be with you at this time. Uncle George will always been in our hearts for all the many wonderful things he has done for us. I will pray for him forever, Although I know he is a Saint already and does not need my prayers. Dearest sister my wish would be to comfort and to be with you, like you have always been there for me. With all of our love Mary & Hank Wielgosz##imported-begin##Mary & Henry Wielgosz##imported-end##

“ My deepest sympathies to all. I will never forget the visits from Aunt Marge and Uncle George. Especially when we went to the lake. To this day, every time I see the dynamite tracks along the side of the road I think of Uncle George and how he explained how the roads were made through the mountains. Aunt Marge you could not have found a better partner, nor you children found a better father. In that vein, no neighbor, nor friend could have been blessed more than to have known Uncle George. Aunt Marge, I know that you are terribly sad, but remember, Uncle George is sending you his love and strength, you can and will make it though this very sad time. Please know that you are in my thoughts and prayers and that I will take good care of your sister, Mary. Love To All, Mimi Wielgosz###imported-begin###Mimi Wielgosz###imported-end###

“ We did not spend as much time with Uncle George as I would have like to over the years. With that being said, it does not deminish the love and respect we had for him. Our hearts are truely sadden and we will miss Uncle George, Our thoughts and prayers go out to Aunt Marge, Carol, John, and Gay/Gay during this most difficult time.###imported-begin###David Wielgosz###imported-end###

“ I wish I had the honor to say I met him, but can not but I will say the few times I had the opportunity to speak to him on the phone was an absolute pleasure and honor! Speaking to him you knew he had the wisdom and knowledge of someone you had to hold in high respect and hold in high regards which I did! You are in better hands now with great people and I will have the pleasure one of these days!! God Bless you will be greatly missed! S.McGrath###imported-begin##Steve McGrath###imported-end##

“ My Great Grandpa was the best man I knew. He had a lot of great idea's and advice for many people. Recently I found out that he wanted to be a pilot but he couldn't because of being blind in one eye. He took a lot of oportunites to fly no matter what it was. When my grandma told him that I wanted to be a pilot he was so excited and wanted to show me his log book. He never got the chance to, but my grandma showed me. I was so impressed in how many flights he did. I can't wait to fly. I think it would have made him proud. I miss him and he will always be in my heart.##imported-begin##Alexis Aguirre##imported-end##

“ Gay, you and your family are in my continued prayers. As painful as this time is, hold to Revelation 21:4 which says, "He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain." Know that your dad is no longer in pain, but in the presence of God. We love you!##imported-begin##John Rea##imported-end##
