“ *I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.*

*I had the opportunity to meet and enjoy George's humor and out-going personality the last few years. My son, Blake and his wife, Jessie lived next door. Blake told me from the beginning what a wonderful neighbor George and his wife were. I was always amazed and envious at how talented George was in electrical, carpentry, ect. He was always willing to take on a challenge and I was always grateful for him sharing his talents quite a few times with Blake. George was quick to smile and I always enjoyed seeing him. Please know that my heart goes out to all the family.*

*Sincerely, W. Keith Hendrick*
