“ *Joan and family,
I have good memories of George during our years together at Langston Baptist Church. What I remember so well was George's love for the Savior, his love for the Bible and his concern for those who do not know Jesus. My prayers are with you, Joan.

“ *Joan & boys,
I could say I'm sorry for your loss, but what does that mean really? I'm so happy that my cousin was the man he was & lived the life he did, because now he is healed & with Jesus. My heart is sad for all of you, because now there is a big hole in your lives & hearts. It is so hard to lose someone close, having lost both my parents, I can say it gets easier with time, but missing them never fully goes away. I want to pick up the phone all the time & call, but cannot 😞.
I have been praying for y'all & his sisters.... will continue.
Till we meet again. Love you.*
