“ George always played games at work. He was the original prankster everyday. One day he ask me to go fix a shed door. As I walked into the shed I noticed a lady sleeping in the shed. It must have been 120* inside the shed. She was butt naked and wanted me to carry her home. She said a tall guy would be down to take her home. Is that you? No mam I replied. I went back up to the office & told George the door was fixed. Oh I did not take the girl home she could not find cloths. I put them in George's Truck!!! Love you George!! You will be missed. Last word. YOUR FIRED!!!
