“ As a kid I always remember when George and Marilyn eloped, and Auntie was devastated. But as she got to know George and what a wonderful husband and father he was, she knew he was the right man for her only daughter. Fortunately I was able to spend lots of time with them, since I was the babysitter for those "boys". George always promised Fay Ann and me a ride in his (I think) green dodge convertiable. Since they are both with our other family members, I guess I'll just wait to get to heaven. I'm sure Dad, Mom, Uncle Al, Uncle Bud, Uncle Jim, Aunt Elsie etc. are happy to have another card player. With love to you boys, and dear Marilyn, I wish you peace in Jesus name. Mary Kay Shults Bowman

“ I cannot began to tell of all the memory's I have of George, me growing up in Norwood and George and Marilyn living across the street was cool, then they moved to a very cold place, I understand why they did move to the beach..lol When my family would take the trip to Myrtle Beach I would always call them, George was the perfect host. No matter when we would meet George would say it is cocktail time..yesssssssss He will be missed by my Family and Me. Im very sad right now, but also think George is with Auntie and uncle Bud and sure enough I bet they are playing cards! And they Boys, Greg, Gary and Steve lots of good times! “ Dad and I were saddened to hear of George's death. We have such fun memories of George and Marilyn--golfing, cookouts and cocktails, lots of laughter. He will be remembered fondly.

“ Dad, You will be missed so very much in so many ways. A few examples are, your signature dance which made everyone laugh and was so cool to watch, when you would order a half and half for a drink called 7 and 7. We'll just leave it at these Two examples for now. We know you are in a good place and playing golf everyday now and we love you. Greg & Carol Weimer

Greg, your Dad was very special to me and my family. I can remember after loosing both my mom and dad I would call him to see how best to handle my current problem or if I just needed a shoulder to lean on. Some of my greatest memories of Geroge we at the golf course at the 19th hole. He seemed to be a friend to all. God bless you and your family. Take care, Bill Huffsteder
