“ Dear Nash family, I am very sorry to read of the recent death of Georgiana. I send the family my deepest sympathy. When we lose a beloved family member in death, the pain we feel cannot be put into words. It makes us feel helpless because there is nothing that we can do to alter the situation. God's word the Bible holds out a wonderful hope for those who have died. The scripture at John 5:28-29, promises us that those who are in God's memory will be resurrected. Isn't this comforting to know? One day soon we will have the prospect of being reunited with our dear loved ones again. When Jesus was here on the earth, he showed that he has the power to bring the dead back to life. On one occasion, he resurrected his friend Lazarus. (John 11:11-44). Also, on another occasion, he resurrected the only son of a widow. (Luke 7:11-17). We can be sure that Almighty God and his son Jesus long to do the same for our loved ones who have fallen asleep in death. I encourage you during this difficult time to turn to God in prayer and pour all your burdens upon him and he promises that he will sustain you. (Psalms 55:22) I again give the family my heartfelt condolences.###imported-begin###Sandra Smith###imported-end##

“ Our hearts go out to all of you for the loss of a strong, courageous and lovely wife, mother, sister and friend. If she could come back, should would not, but would tell all of us to meet her in a perfect place in a perfect body. No one will ever fill the void she has left, but at least we can see her again. She left such a precious testimony to the love and grace of our Lord. If there is anything we can do, please do not hesitate to let us know. We love you all. “ Janna was such a strong, caring person. Always so positive and determined. I loved working with her, there was never anything too difficult for her to take on and always with a smile and kind word for those around her. Janna has done a lot of God's work in her time here. She has helped many people and left a lot of love in her path. I am blessed to have known her and we WILL see her again. Much sympathy to her family, my heart goes out to you.
