“ A Month Ago Today A month ago today, I woke up in your arms, feeling your strength and comfort. Today, I woke up alone, missing you desperately. A month ago today, My thoughts were of us...Our dreams and our plans all falling into place. Today, I think of you and start to cry. A month ago today, I was loving you like no other, certain that our love would last forever. Today, I pray that my heart will heal. A month ago today, My life was complete knowing you would always be a part of it, Today, The part that you play is a beautiful memory. A month ago tonight, My dreams were shattered, my heart was broken when your life ended Tonight, I still love you, I still miss you, I still remember and I cry. “ To all Jerrys brothers and to Sunshine Thank you for all you have done for my family. He will be missed by all whom he may have touched in his life especialy his son Josh. Something to think about that he wrote me in a letter, "life's journey is not to end up at the grave in a well preserved body, but to skid in sideways, totally worn out, shouting... HOLY SHIT!!! what a ride" To bad he never got to wear out. Love ya Bro Frank & Sandi your dial a date##imported-begin##Frank Shuman##imported-end##
