“ Kathy,
I do not think your dad could have had a better impression on me. His cool demeanor, great sense of humor and the strength it must of taken him not to comment on my ability to eat all of his Thanksgiving Nut Pies. A true gentleman. One morning, staying at your house for the holidays, I woke up early and he was the only other person up. I made coffee and wondered if I had "done it right". He quietly, with a smirk said, "Tone, you make a mean cup of coffee. I am glad you are here." Simple, few words, and he could make you feel special. I love you, and I hope you have wonderful memories that make you laugh. Love, Tone Nunes

“ I am grateful to have had the opportunity to know this kind, decent and loving man, as well as knowing his loving wife Marie. I will carry the memory of their kindness and generosity the rest of my days and my children will hold them in their prayers each time they climb up onto one of 'Pops' handmade stools!

Enieda and I send our sympathy and love to Kathy, Rich, Jerry and all the rest of the family as they celebrate a life well lived.
