“ Judy & I were very saddened to read of Jerry's passing. Although I haven't seen him in several years, he was one of the original ushers I hired at the Palace Theatre in 1995... and Jerry kept us laughing for the couple of years he was there. May he rest in peace.

“ Jerry was a brother, friend, advisor, funny, and the greatest person to ever have as a borhter. The times that my family spent visiting when the kids were growing up we're the most special times we had. Without those visits we would not have had any vacations at all. Kay and Jerry not only provided a place to stay but provided most of our meals and a special outing each time we came down. Thank you Jerry for being the big brother I needed and Thank You Kay for being such a wonderful sister. I love you Jerry and will miss you greatly.

“ Gary and I got to know you, Kay and Jerry, through my parents, Jean and Norm Farmen. We also got to know your dog Lady as well, when my dad would walk her every day while you were both at work. We will always remember Jerry's infectious smile riding his golf cart through the Surfside Beach area with your two dogs in tow. A wonderful man and we will miss seeing him on Lakeside Drive. We know he is now at peace and we pray for your strength Kay, during the coming days and weeks.

“ What a wonderful man--friend, husband, father, grandfather and great grandfather. His caring personality is superceded only by his love of life and wacky sense of humor. He will be greatly missed but always in our hearts. Scarlet and Sonny Montgomery.
