“ So sorry to hear of Jerry’s passing. The Christmas card I sent him just came back to me. He and his wife (Linda) were very good friends of my husband (now deceased) and I. We always kept in touch with Christmas cards down through the years. He was such a nice guy. My condolences to his family. Joy Bazill Fairborn Ohio

“ Jerry was my boss at Rike's Advertising Department in Dayton, Ohio. This was my first job after graduating from High School and Business School. He was a guy with a great sense of humor, and a lot of understanding for this rookie. There's lots of great memories from that time in my life, and Jerry holds a special spot in those memories. My sympathy to his family and friends. Judi Vargo Anderson
