“ *Sandra and Wanda you both know how loved your mother was and we will be remembering your entire family. She will be greatly missed, but you will have the lifetime of memories that have been created. You know both of your parents were good, just look at what an amazing family they produced!*

“ *Mrs. Jerri was such a sweet Godly woman with a contagious laughter and smile! I have many wonderful childhood memories with her including spending time with her at her beach house. She was such a wonderful and positive influence on my life especially at such an impressionable age. She was loved by so many and will be missed. My thoughts and prayers are with your families. God bless you all and may you feel the peace of God during this difficult time.*

“ I will always remember Aunt Jerri as being quick to smile, laugh and love. Her heart was so full of love for everyone she met, and I have so many wonderful memories of time spent with her, Uncle Jack, Sandra and Wanda. I will miss her more than words can say, but I know she is perfectly healed and resting with Uncle Jack tonight in Heaven. I am so thankful for her presence and Godly influence in my life and in so many others! She blessed so many people, and I pray this brings comfort and peace to Sandra, Wanda and their families. Blessings and peace!

“ Aunt Jerri will always be in our hearts along with the memories we all shared growing up to become the people we are today. Its not easy giving up the ones we love but I'm sure she's in heaven already with a big smile on her face. She could make a frown turn to a smile in short time. She will be missed by everyone who loved her. Sandra, Wanda, and family we'll be praying for you.  
With our sympathy and love,  
Marie, Judy, Robert and Don and our families

“ She always told me the moment she saw me how much she loved me and how proud she was to see me in church and loving the Lord! She always knew what to say that would lift me up. I also told her how much i love her and thanked her for teaching me all those sunday school lessons that stayed with me! She will be so missed but i know i will see her again. I know she is having such a glorious time in the presence of our savior Jesus Christ,along with seeing Jack and all our loved ones. For the family that remains my prayers are with you and that God gives you strength and peace that only he can give.Amen!

*Sandra and Wanda, I just heard about Aunt Jeri and my heart goes out to you! She truly was a Godly lady who radiated her love for the Lord! I have so many fond memories of her and even though we hadn't seen much of each other the last few years, i always new she loved me and I think she knew I loved her. She had such a loving heart and an infectious smile!!! I can hear her laugh right now as I am sending this. You all will be in my thoughts and prayers and we can take comfort in knowing that she is reunited with Uncle Jack and Grandma Fleming and the rest of her family and friends that went on before her. We can also take comfort in knowing that we will be reunited with her again one day! May God wrap his loving arms around you and give you the peace that only he can give!!!*
