“ *My thoughts and prayers go out to all of Gerri's sweet family. I was fortunate to work with her both at Lakewood and St James Elementary Schools. She was always so kind and loyal to everyone. Her family was so important to her---she spoke of them often. God bless you all.*

“ *In the summer of 1984 when I moved to Myrtle Beach and went for an interview at St. James Elementary (then known as Socastee Elementary), the school was so small there was only one Secretary and one Principal...Gerri and Mr. Sam Floyd. They were an awesome team! Those same warm eyes that welcomed me that day and made me feel like an old friend were extended to so many others as our school grew through the years. Gerri was always there for each of us. She enjoyed talking to us, listening to us, and always made us feel like a close family. She was professional, generous, and above all kind-hearted. On behalf of so many teachers who worked with her and loved her, too, please know we will never forget the memories she left us with.*

*It was my good fortune to be a friend of Ms Jerri's as we worked and laughed together at St James Elementary School. She added a sparkle to the main office each and every day. She was missed when she retired and will be missed as she retires from this earthly life. Blessings to her family.*

“ *I went to high school with Geri and she was one of my first friends when I moved there in 9th grade. I remember having many fun Sunday afternoons "cruisin'" around Myrtle Beach in the "family car". After graduation we lost touch until I heard she had moved to Aiken, SC and I went over to visit her one day. That was over 45 years ago. My sympathy goes out to her family and may she rest in peace with the Lord.*

“ *I am so sorry to hear of your loss. I worked with Gerri for many years. She was such a dear sweet, generous, considerate, loyal friend. I have never known her to say anything bad about anyone. She always had a smile for everyone. She was such a joy to be around. She loved her "Bill". She loved her "girls" and she loved her "grandchildren". Gerri loved everybody. Our loss is Heaven's gain. I know you will miss her so much but you have so many sweet memories of a beautiful wife and mother. Treasure those memories and they will get you through the tough days. I will be praying for all of you.*

“ My sincere sympathy is with Jerri's family during this difficult time. I had the honor of working with Jerri for many years. She served her school and the school district in a most professional manner and always was dedicated to her work. She was always a pleasure to work with and always left you with a smile on your face. She will be missed.
