Tribute Wall

“ It deeply saddened me to learn of the passing of your dear loved one. All of us have experienced losing someone and it is never easy. I have been able to cope with such losses by relying on God's word the bible for encouragement. This has been very helpful in my life. Isaiah 33:24 lets us know that there will one day be a time when no resident will say, I am sick. I truly anticipate that day and look forward to a time when all of our mourning will come to completion Isaiah 60:20. We can be confident that this will one day because it was never God's intention for man to die, rather he purposed for us to live forever and possess the earth, according to Ps. 37:29. This is evident through the provision laid out for us at Acts 24:15 regarding the resurrection of both the righteous and unrighteous. We are told to have this hope, it starts first with our trusting in Almighty God. His words will never fail fore it is impossible for him to lie Heb.6:18. May you refer to these verses from your own bible and meditate on them while trusting in God. He will strengthen you at this time and carry the hope of reuniting with your loved one again by means of the resurrection.##imported-begin##Freda##imported-end##
