

Gerardo "Gerry" Luis Olivieri

May 5, 1959 - April 4, 2024

Gerardo "Gerry" Luis Olivieri, age 64, died Thursday, April 4, 2024 at Grand Strand Medical Center.

Born in Manhattan, NY, Gerry is a son of Gerardo and Luz Olivieri. In 1978, Gerry danced his way into the hearts of so many here in Myrtle Beach, making many friends, and so many of those friends that became family members or "adopted children" over the years. He proudly served in both the United States Air Force and the United States Marine Corps, never was a man more honored to serve his country as Gerry was. He was fondly referred to as "Batman" and was a hero to many, always offering a helping hand, advice, or just lending an ear to whoever needed it. Gerry's health issues over the last 10 years were met with unmatched strength and determination. He chose to be happy, always with that sharp-witted amazing personality that was who he was. He and Bettie just celebrated their 44th anniversary on January 23 (8-3-1). Gerry is preceded in death by his father, Gerardo Olivieri.

Survivors include his wife, Bettie Bobo Olivieri; children, Kiera Cass (Callaway) of Santa Clarita, CA, Gerardo "Gerad" Luis Olivieri II of Davenport, FL; grandchildren, Guyden Cass, Zuzu Cass; mother, Luz Olivieri; siblings, Diana Olivieri-Garcia (Sergio), Leonor Olivieri, Ismael Olivieri (Lilibeth), Eloisa Thornock (Greg); many nieces and nephews; Gerry's many "adopted" children; and several friends who were like family.

A Graveside Service will be held at 10:00 AM, Tuesday, April 9, 2024 at Ocean Woods Cemetery. The family encourages those in attendance to wear

Batman-related apparel in Gerry's honor.

Goldfinch Funeral Home, Beach Chapel is serving the family.

“ *If it hadn't been for Gerry, I would have never found my birth family. He bought Bettie the DNA test for Ancestry.com years ago, and when I did my DNA test to see what my background was (I'm adopted), I had several hits... Bettie being one of them... Bettie and I eventually found each other, which led me to find Tammie Sessions, my half sister. Gerry was also able to fill in a few blanks for both Tammie and I as to why I was given up for adoption, as Judy McCleod Perkins (my biological mother, Bettie's cousin, and Tammie's mother) had told Gerry some things no one else knew, years ago after losing my half brother Ricky. We all cried that day, and I will always appreciate Gerry, and love him for letting me know what he knew. We didn't know each other long, but we will always be family. Thank you Gerry. I know you are whole and in perfect health now...*

“ *I met Jerry at Myrtle Beach AFB in 1978 and we were assigned to the same squadron (Civil Engineering). Jerry was very easy to befriend and he was more than willing to help his friends learn to dance the 7-step as disco was king at the beach in those days. He earned the nickname "PR" from many of us as a badge of respect to where he was from. I have fond memories of my time at the beach and Jerry certainly is included in those memories. My condolences to Betty and family, I have no doubt Jerry will be missed.*
