“ I love you grandma... One of the sweetest and strongest women I've ever known. You would do anything in the world for me and I can't thank you enough for always being there for me and making my life the best you knew how. The world is much darker and lonely without you. I hope heaven is as wonderful and amazing as you always talked about.

Scott and family, I truly loved Ms. Adkins. Worked with her at Rose's years ago. Many conversations with her at Walmart. After all these years, never realized we were from the same county. Praying for your whole family.

“ You were the absolute best grandma. I will always carry you in my heart. The things you taught me. Like how to pray. When you showed me who Bon Jovi was. Thank you and may you sleep in peace. I love you 💕💕
